

A Sherlockian Toast (posted 2021-2-7)

A toast to John Watson  
by Rob Nunn  
before a meeting of the John H. Watson Society  
on May 16, 2020

Here's to the teller of fifty-six classic tales  
Whoever wrote the other four, their efforts are quite pale  
From poison pills and chambers to ghost hounds from hell  
We are lucky to have the stories he tells  
So raise your glass of whatever drink you have handy  
If you need something, ask the doctor. I'm sure he has brandy  
And let's get on with things and finish this toast  
Here's to John Watson, the writer we love the most
