

A Sherlockian Toast (posted 2016-9-9)

A toast to the Second Mrs. Watson
by William McHarris
before a meeting of The Greek Interpreters
in East Lansing, Michigan

Aye, here's to a woman who was — and who wasn't;
Her place in the canon is not wholly plausant.

For according to Doyle

Was not up to Hoyle:

Sometimes he forgot if she Watson — or she Watson't!
